## CARTER HARRISON FOR PRESIDENT

CHICAGO MAYOR TO SEEK NOMINATION AT THE HANDS OF THE DEMOCRATS IN COMING FIGHT.

CHICAGO, Oct. 28.—Mayor Harrison has decided to become a candidate for the nomination for President on the Democratic ticket next year. In making this decision it is said he is influenced more by the possibility of being the nominee in 1908 than he is in 1904. The Democratic leaders are not hopeful of electing their candidate next year, but the Mayor believes the Democratic nominee will be able to make a good showing against President Roosevelt and will be the logical candidate in 1908, the year the Democrats expect a political landslide which will sweep them into power again.

The Mayor will go to the national convention at the head of the Illinois delegation. He hopes to be made National Committeeman if he fails to secure the nomination for President. His friends argue that he is the only Democrat in the West who can unite the party.

William Preston Harrison, brother of the Mayor, will move over on the west side and become a candidate for Congress in the eighth district to succeed W. F. Mahoney. This announcement puts an end to the ambitions of Clarence Darrow, the famous labor attorney who appeared for the miners before the President's Coal Commission. The Mayor can dictate his brother's nomination.
